CLASS OF 2002

Welcome Class of 2002! I hope that you have enjoyed your first few weeks of college. Now it is time for your next of many steps here at PC - electing your freshman class officers.

The Student Congress of Providence College is the sole representative body of the entire student population. It is comprised of nine elected officials from each class year and many chair-

persons and committee heads. Its purpose is to act as the official representative of the Student Body, to enhance student participation in attaining the goals of the college, to regulate student activities and organizations, to promote unity among students and student organizations, while protecting individual student rights, and to promote, in conjunction with the administration and fac-

ulty, the best interest of the students.

The students that you will be voting for this Thursday will be President, Vice President, Secretary, Treasurer, and five Representatives. These nine students will be your official representation in the 49th Student Congress of Providence College. They are responsible for voting the concerns of the freshman class to the Student Congress

and the administration. As active members of Congress, they will vote on your behalf on every issue brought before Congress this year. In addition, your nine officers will have the task of promoting class unity through various freshman class events and fundraisers.

Student Congress is one of the many ways to get involved here at PC. This is your college and it is up to

you to make the most of the next four years. Providence College has so much to offer and my advice to you is to get involved!

So, please remember to vote on Thursday, October 1st in Raymond Cafeteria for your Class Officers and Residence Hall Representatives. The time has come for you, the Class of 2002, to make your mark here at PC.

-Brian Marsh '99
